THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Wakefield in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Wakefield on Tuesday, the tenth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.

2. To choose Delegates to the Constitutional Convention.

3. To vote on the question "Shall sweepstake tickets be sold in this city or town?"

4. To see if the Town will vote to authorize the Selectmen to hire such sums of money as may be necessary to pay Town bills in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate the sum of \$99,858.43 to defray Town charges, as submitted by the Town Budget Committee for the ensuing year as follows:

Town Officers' Salaries	\$3240 00
Town Officers' Expenses	300 00
Town Office Expenses	1800 00
Election and Registration Expenses	750 00
Expenses Town Hall and other Town	
Buildings	8500 00
Employees' Retirement and Social Security	800 00
Police Department	3500 00

Blister Rust	200 00
Insurance	2100 00
Planning and Zoning	200 00
Damages and Legal Expense	160 00
Civil Defense	50 00
Health Department including Hospitals	100 00
Vital Statistics	51 00
Forest Fires	500 00
Town Dumps	900 00
Summer Highway	8000 00
Winter Highway	8500 00
Street Lighting	5000 00
General Expenses of Highway Department	3000 00
Town Road Aid	837 19
Libraries	3100 00

Long Term Notes	10500 00

6. To see if the Town of Wakefield will raise and appropriate the sum of six hundred dollars (\$600.00)

to defray the cost of a radio, mobile or base, as the case may warrant. Said radio to be a part of the Wakefield Police Department. Further that this radio become a part of a Carroll County radio network upon the inception of this network within the County at the discretion of the Wakefield Police Department.

(By petition of 16 Voters)

APPROVED by Budget Committee

7. To see if the Town will raise and appropriate the sum of \$1,500.00 for the purchase of 400 Tubular Steel Folding Chairs for use in the Auditorium of the Town Hall.

(By Petition of 23 Voters)

NOT APPROVED by Budget Committee

8. To see if the Town will raise and appropriate the sum of \$10,000.00, said sum of money to be used to petition the State Tax Commissioner for the re-valuation of all the taxable property in the Town of Wakefield.

(By Petition of 20 Voters)

NOT APPROVED by Budget Committee

9. To see if the Town will vote to amend Article 14 of the 1945 Town Meeting setting up a capital reserve fund in the amount of \$5,000.00 for the construction and reconstruction of town highways, said article be amended to read as follows: A Capital Reserve Fund is hereby set-up in the amount of \$5,000.00 for the Construction, re-construction or purchase of Highway Equipment.

10. To see if the Town will vote to use the Capital Reserve now invested under the authority of the Trustee of Trust Funds and any interest accrued there-to, said principal and interest be used to purchase the

Austin-Weston Grader, now being hired on a rental basis of which \$2,500.00 has already been paid.

11. To see if the Town will vote to rescind the Non-Partisan Ballot system as provided in Chap. 34 Sections 112-125 inc. of the Revised Laws New Hampshire and Primary Laws of 1954 adopted at the March 1962 Town Meeting and vote to adopt the Australian Ballot system provided in Chap. 59 Section 72 of the Revised Laws New Hampshire and Primary Laws of 1955.

(By Petition of 11 Voters)

12. To see if the Town will vote to adopt Chapter 36:1 Laws of 1963 which will authorize the Tax Collector for the Town of Wakefield to receive payments and give receipt thereof and credit the amounts paid toward the amount of the taxes eventually assessed. No payments to be excepted less than \$10.00.

13. To see if the Town will instruct the Board of Selectmen to have listed in the 1964 annual Town report the complete individual Inventory of the entire Town.

(By Petition of 12 Voters)

14. To see if the Town will vote to authorize the Selectmen to sell any and all real estate acquired by the Town by Tax Collector's deeds, said power to continue until revoked by a vote of said town.

15. To see if the Town will vote to make Pine-wood Shores Road, so-called, a public highway, extending from Route 153, near the Burleyville Railroad Station, to the end of the existing camp road.

(By Petition)

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and sixty-four.

TERESA H. HUTCHINS
Treasurer

SELECTMEN'S PROGRESS REPORT

During a meeting with the Budget Committee last October it was suggested and the Selectmen concur that the Town embark on a so-called five year plan to re-build, so to speak, the highway department.

In this connection the Selectmen have hired an Austin-Weston heavy duty grader at the cost of \$500.00 per month commencing with the first payment last November. We will have paid the sum of \$2,500.00 as you read this, said amount of money to be applied towards the total cost namely \$10,000.00.

While this is a re-built machine, the service already attained this winter, more than justifies the Selectmen's judgement in hiring this piece of apparatus. We urgently recommend the balance, \$7,500.00 be raised and appropriated for the outright purchase of this machine.

In addition, next year, we ought to purchase a new smaller truck and either turn in the old Ford or retain it, for use only during the winter months for plowing.

From time to time we must hire steam blowers to thaw out culverts, we recommend that a machine for these purposes be purchased in the near future.

A survey of all insurance policies has been completed, and the Selectmen feel that the Town has adequate coverage for fire and liability.

The State Fire Marshals annual inspection gave the town until Jan. 31st, 1964 for the installation of proper safety lights in the auditorium, this has been accomplished.

The voting booths have been removed and all elections hereby will be held in the Selectmen's office. These booths should last for many years.

The Acton Ridge Road, will be completed this year, affording many of our summer residents better access to their summer homes.

Town meeting day, you will note, due to the multiplicity of ballots and the number of names on the various ballots, the Selectmen on the advice of Moderator George Wentworth will cause the adjournment of the March 10th business meeting until Tuesday, March 17th at 7:30 p. m. The School District meeting will be held on March 24th. **PLEASE BRING YOUR TOWN REPORTS TO BOTH THESE MEETINGS.**

In conclusion, the Selectmen urge all citizens of the town to take advantage of their officers, calling for information at anytime. The Clerk's office is open Monday's through Saturday's. The Tax Collector is available every day Monday thru Friday and the Selectmen are available each Friday evening and Saturday mornings, for your convenience.

ROAD AGENTS REPORT

First I should like to thank the Board of Selectmen for their confidence in me by appointing me to the position of Road Agent upon the resignation of Richard Swinerton.

TOWN ROAD AID

One of the Town's most important projects was instituted last year by adopting the State's accelerated road program that will be completed, early this spring, at a total cost of approximately \$40,000.00, with the State Highway Gasoline tax paying some \$28,265.00 of the cost. This will be an outstanding improvement to the towns roads and will make speedier snow removal and practically no maintainance for some five years.

ROADS RE-SURFACED AND TARRED

Ballard's Ridge Road, oiled

Richard's road, sealer coat

Piper Road as far as the Willey Road

Cedar Street, smoothed, ditched and cold patched

Old Route 16 from Fellows Road to Route 153

TOWN ROADS

There has been a great deal of sand and gravel put on our dirt roads during spring time, removing rocks, cleaning culverts that have not been cleaned for sometime, cleaned many ditches of dead trees and limbs in some places widened the road. The Oak Hill Road entrance is a case in point.

RECOMMENDATIONS

It is important that the town roads be kept up. The ditch on the west side of School Street should immediately be re-built. There is no way for the water to run down this hill other than undermining the pinning of the Dee place hence down Ralph Brackett's driveway

in to the cutter of High Street. The streets in the Sanbornville area should be smooth up and ditched. If a five year plan is being considered, then it is my recommendation that thought be given to the entire towns accepted streets. Many of them are now badly in need of repairs.

HIGHWAY EQUIPMENT

I recommend we retain the large Ford Truck with its recently installed re-built motor and all good tires. At the same time I recommend the town purchase a smaller all purpose all year round truck and also the outright purchase of the grader now being used on a rental basis.

(signed) Paul A. Drown
Road Agent

The town's accelerated highway program here shows State supervision of the Acton Ridge Road. When completed this spring, the town will have a little over a two mile stretch of modern highway running from Crawford's Corner store to the Acton Maine town line, making easy access to our many summer cottages on Great East Lake, Round Pond and Balch pond.

The cost will be approximately \$40,000.00 with the gasoline tax accounting for \$28,265.00.

Trustees

WAKEFIELD POLICE DEPT.

1963

TO:

Budget Committee, Town of Wakefield, N. H.

Gentlemen:

Herewith a proposed police department budget for the year 1964. It has been figured on a basis of a five day week for the Chief and a three day week for a second man. The second man would be used at various times when patrol is most needed and also to answer calls to accidents, complaints, ETC. The Chief would be paid at the rate of \$1.75 per hour, total of \$3640.00 per year. The second man would be paid at the rate of \$1.50 per hour, total of \$1872.00 per year. Mileage is based on average of 75 miles per work day at eight cents per mile, making a total of \$2496.00 per year. Schedule follows:

SALARIES

Chief	\$70.00 per week	\$3640.00 per year
Asst. Chief	\$36.00 per week	1872.00 per year

MILEAGE

Chief	\$30.00 per week	1560.00 per year
Asst. Chief	\$18.00 per week	936.00 per year

TOTAL	\$8008.00 per year
Extra police officers 200 hours	300.00 per year
Police churches	188.00 per year
Supplies	300.00 per year
 Total proposed budget	 \$8796.00 per year

WAKEFIELD POLICE DEPARTMENT

Report for Year 1963

Herewith a report of the activities of the Wakefield Police department for the year 1963.

The sum of Thirty-five hundred dollars was requested by this department head of the Town Budget Committee. That Committee saw fit to lower the sum to three thousand dollars. At the annual Town Meeting in March of 1963 the sum of thirty-five hundred dollars was raised and appropriated by the voters present at that meeting, and the police department has made every attempt to stay within that figure. There is an actual overexpenditure of about twenty-five dollars which was caused by an unexpected expense of extra men at a fire in the North Wakefield section of Town. These are the things which crop up every now and then and cannot be planned, in the making of a budget.

There will be noted an increase in the traffic activities of this department. Due to many complaints, especially in the southern end of the Town, extra men were assigned to traffic patrol on route 16, route 109 and Route 153 in addition to our Town highways, which are many and which cover a large area. This activity was well received by the public and a decrease in traffic violations was noted soon after its inception. Speed and yellow line violations soon dropped to a healthy normal, although the accident investigations by this department would not bear this out. The accident rate can be lowered in one way alone, that is regular and continued patrols of all highways. This responsibility of the local departments cannot be ignored much longer by the townspeople for the

sake of saving a few dollars on the taxes. This responsibility was brought sharply to mind by this officer with the deaths of two of our fine young people in this area. One being in Brookfield and the other in Wakefield. I include Brookfield as our responsibility because the effects of good law enforcement are felt, not only in the Town which is able to practice it, but also in the Towns surrounding. We cannot measure the losses of these young people in dollars and cents although it is so very easy for those not immediately concerned to say that these were exceptions and we will probably never be saddened in this manner again. THIS IS THE FALLACY OF SETTING SUCH STORE IN THE DOLLAR AND SACRIFICING OTHER THINGS WHICH ARE SO MUCH MORE IMPORTANT. I am putting this rather harshly so that the voters might realize that the police department recognizes its frightening responsibilities and would like to put police officers on the highways to prevent such things. It has always been said that this was the work of the State Police. This is true to some extent but if it is a fact, how do we account for thirty one motor vehicle accidents being investigated by this department. The fact of the matter is that there is too much work for one, two or three men, in the Wakefield area and the activities must be shared by all, which compelled me to present a budget which included two regular police officers. I sincerely hope that it will be considered very carefully.

The item of restitution in activity report includes checks collected, malicious damage which has been paid for, recovery of stolen and missing property, Etc. You will note that this amount is substantial!

This department wishes to thank all those who have aided in the duties of the officers and all those

who have made the duties more pleasant with their understanding, patience and kind words of encouragement.

Respectfully submitted,

ARNOLD H. WENTWORTH

GAFNEY LIBRARY INC.

The Gafney Library, a public library for the people of Carroll County, opened its doors on August 27, 1925 and since then it has faithfully supplied library services to the community.

Its establishment was made possible by a provision in the Will of the late Judge Charles B. Gafney of Rochester as a gift of \$5,000. for this purpose; subsequently the three trustees designated to carry out the benefactor's wish, petitioned the probate court to permit them to use the residue of the estate for the same purpose. The three Trustees, a self perpetuating body, were William M. Sanborn, Albert O. Robinson and William N. Rogers.

Judge Gafney died January 1, 1898 and between that time and the year 1925 the Trustees had accrued sufficient funds in the Trust to build and equip the Library. The building cost \$25,000. to erect. The site of the Library was donated by Mrs. Lillian S. Edwards.

Upon the establishment of the Gafney Library, the Town voted in March 1926, to discontinue the old Town Library and turn over all its "money, property and effects" to the new Library, and even appropriated \$1,000. to help with cost of erecting the building.

The present Gafney Trust Fund Trustees are Mrs. Roland S. Hughes of Brookfield, Mr. Alden N. Young of Sanbornville and Mr. Walter R. Mohr of Wakefield.

In September of 1958 the Library was formed into a membership corporation administered by a Board of Directors. Currently the Directors and

Officers are: Mr. Alfred Humphries of Brookfield, President; Mr. Arthur S. Burleigh of Sanbornville, Vice President; Mr. Alden N. Young, of Sanbornville, Treasurer; and Mr. Walter R. Mohr of Wakefield, Secretary. Mrs. Roland S. Hughes of Brookfield is a Director.

It now has 27 Life members and 185 Annual members.

The Library has a collection of some 6,000 volumes and is open on Tuesdays, Thursdays and Saturdays from 2 to 5 and 7 to 8 p. m. Mrs. Ruth F. Clifford is the Librarian.

As President of Gafney Library, Inc., it is my pleasure to make this annual report for the year of 1963.

The year's two most important developments were the enactment of the Revised State Library Law (Chapters 202-A:1 to 202-A:23) and its effect on the Library's operation, and the appointment of a new Librarian.

The Revised Law, effective July 1, 1963, has made it mandatory that we make a financial report to the Town, which we are doing herewith; and that we have a representative for the Town on our Board. Pursuant to the terms of the law, Mr. Alden N. Young has been appointed by the Selectmen to serve in that capacity until the next general election.

Replacing a Librarian was much harder than complying with the Revised Law. Mrs. Mildred N. Turner, who had served for three years and done an outstanding job, was forced to resign in June. Fortunately, Mrs. Ruth F. Clifford volunteered, and is now serving as Librarian. Mrs. Clifford is the sixth Gafney Librarian over a period of 39 years.

LIBRARIAN'S REPORT

The Librarian's report follows:—

This report by its very nature must be statistical and hence we must present figures.

Our book collection shows an increase from 4,795 to 6,039. This large increase is due to the fact that we "weeded" out no books this year awaiting the State Library survey report. More of which anon. Another reason for the increase is the generosity of our book donors, 24 in number, who gave us 315 hard cover books and 336 paperbacks. Our own purchases amounted to 23 adult nonfiction; 68 adult fiction, and 98 juvenile. Supplementing this were the 1,698 volumes delivered by the State Library Bookmobile, and 57 volumes especially requested by our readers and ordered directly from the State Library. All of this amounted to a sizeable amount of reading material.

The statistics of the use of this material is not as favorable. In 1962, 9,875 books were circulated against 8,790 in 1963, a falling off of 1,095 volumes. This falling off cannot be attributed to lack of effort on our part to promote both adult and juvenile reading. In our promotional efforts we were given fine cooperation by our four local newspapers with 3,989 lines of free publicity. We also used National Library Week and Children's Book Week to call attention to the value of reading and the availability of material in the Library to secure material for it.

Serving as the Town school library, we again concentrated our efforts to encourage and promote the reading of our elementary school pupils. The

seventh and eighth grades used a weekly visit hour in the Library for reference work or study period. From time to time they were given brief talks on the reference facilities of the Library and their use, and also on such topics as book reviewing and theme composition. Collections of books were delivered to the Paul, Primary and East Wakefield schools.

During the summer we had the Wednesday story telling hour and the used book sale, both conducted by Mrs. Luther MacBrien. They proved on the one hand interesting to the younger children and on the other, they put us in funds in the amount of \$82.00 with which to purchase additional children's books. Miss Elinor Eastman also assisted.

We are awaiting with great expectancy the report on the survey made by the State Library. On it we will base our program and objectives for the year 1964 and perhaps for several years to come.

Associated with our future planning will be the financial implementation by the Legislature, hoped for in 1965, of the State Library Development Program (Chapter 201-C) from which we should receive financial and other benefits and help us in our efforts to ever increase the services of our Library.

1965 will mark the 40th anniversary of the establishing of Gafney Library. We are working on plans for its proper commemoration. We would like to feel that for that year we will have attained a maximum evidence of Town support through the number of Library members. Currently we have 27 Life members, a gain of 8 over last year, and 186 Annual members, a gain of 19 over 1962. We hope the trend will continue.

May we accept this quotation as bespeaking our goal?

“We envision our mutual goal as a well-educated citizenry: competent to preserve our way of life, articulate to transmit cultural, intellectual and moral values, imaginative to discover the secrets of our environment, curious to explore the problems of a complex society and dedicated to meet the challenges of life.”

ALFRED HUMPHRIES
President

WAKEFIELD PUBLIC LIBRARY

Report For 1963

Another year has brought us new readers and some worthwhile improvements. Of first importance is the scraping and painting of the exterior of the building during the summer. The unexpected donation of the paint by Mr. and Mrs. Carlton Spencer reduced the expense of this project. Now we hear many favorable comments on the appearance of the library building. An attractive sign made and donated by Mr. Frank T. Lewis also receives well-merited praise.

Mary Torr Chapter DAR of Rochester visited the Library on Flag Day to present a handsome bunting-flag which filled a need. The interest of this organization is heartening and as a result one of the members is giving us a year's subscription to the monthly magazine of the national DAR.

Books and magazines have been given by the following donors: Mr. Roger Bradbury; Mrs. Rollins Brown; Dr. and Mrs. Frank J. Heck; Mrs. George F. Hughes; Mrs. Frank T. Lewis; Mrs. Arthur H. Paul, Jr.; Mrs. Samuel Paul; Mrs. Norman Place; Mrs. George A. Smith; Mr. and Mrs. Carlton Spencer; Mrs. Archie Stuart; Mrs. John Trickey; and Wakefield Woman's Club.

We are grateful for the continued interest of these friends and for the new donors which each year brings.

Two new trustees were named at the annual meeting: Mrs. Rollins Brown, who serves as Treasurer and Mr. Alden Young, who is experienced in library administration.

Circulation for 1963 is as follows: fiction, 575; non-fiction, 502. This makes a total circulation of 1077, which is an increase over the 1962 total.

The expressed appreciation of our readers regarding the quality of books available on our shelves is the best and most encouraging reward of your librarian.

Again the co-operation of the State Library staff and of our readers is gratefully acknowledged.

JULIA H. PAUL

UNION FREE LIBRARY

Report for 1963

The Library is open on Wednesday afternoon from 2:30 p. m. to 4:30 p. m.

We have 88 registered readers at present; 64 children and 24 adult readers.

The circulation of books for the year was 2,784 volumes. This includes both fiction and non-fiction.

We bought 50 books during the year. We had several books given to us. They were given by the following: The Wakefield Woman's Club, Mr. and Mrs. John McInnerney, and Mrs. Ernest Scott and books left over from the Community Nursery School sale. These were given through the generosity of Mrs. Hazel MacBrien and Mr. Walter Mohr, for which we thank you very much.

We have four magazines and one newspaper at the library. These are available to take out if one so desires to read at home.

We also have books available for the church reading list and there is a large group partaking in this project.

There were two special displays of books during the year. One was for the National Library Week, a display of nurse and doctor books; also one for Lent which consisted of Religious works.

The Bookmobile visited us during the year and I borrowed 900 books from them. Mrs. Sanborn, the

Extension Librarian has also sent me many other books on request of our readers.

Children from three schools, also one teacher came to the library on numerous occasions. Mrs. Caroline Worster, school bus operator, leaves the children off and waits for them so that they may get books at the library.

Your Librarian visited two libraries, when she was in Boston during the summer, and brought back several new ideas for this library.

This year has been a good year and we hope that 1964 will still be better.

PLANNING BOARD AND ZONING COMMISSION**Annual Report — 1963**

The planning and Zoning Commission held regular monthly meetings during the year plus several informal work sessions.

Fifty seven Building Permits were issued for new construction and for repair work valued in excess of \$157,000. Fees for these permits were collected in amount of \$122 and the same paid into the Town Treasury.

A proposed new Zoning and Land Use Ordinance has been prepared by the Committee and will be submitted for consideration by the people of the Town at public hearings in the near future.

REPORT OF SANBORNVILLE FIRE CHIEF

Fiscal Year 1963

Everyone fears fires but too many are careless with understanding the importance of Fire Protection. This report is a “thank you” to all the taxpaying residents and non-residents of our town who so thoughtfully voted funds to combat our fires.

We are proud of our new Fire Truck, pictured above, is approved by the Board of Fire Underwriters of New Hampshire, and with its acquisition are insured credits for at least twenty years.

The inhalator has been used many times during the past year and is for the use of all our people by simply calling in an emergency the Fire Department, Dr. Gerard Bozuwa or the under signed. Also available at all times is a 100 lb. tank of oxygen. Your fire Department is here and the funds spent are for your protection.

Listed below were the calls answered during 1963:

Number of fires	58
Number of fires in Precinct	13
Number of fires out of Precinct	9
Number of fires in Brookfield	2
Number of fires in Maine	2
Number of grass and forest fires	6
Number of Dump fires:	
Sanbornville	12
East Wakefield	11
Number of fires in Union	1
Number of times Inhalator called	2

Respectfully submitted
LAWRENCE NASON, Fire Chief
LEO LESSARD, Ass't Chief

AUDITOR'S CERTIFICATE

We have examined the books of the Tax Collector, Town Clerk, Selectmen, Town Treasurer and Water Precinct and the accounts of Trustees of Trust Funds and find them correct to the best of our knowledge and belief.

ALBERT W. WIGGIN
WINIFRED NASON
Town Auditors

REPORT OF THE UNION FIRE DEPARTMENT

During the year the Union Fire Department answered 16 calls.

1 Dump Fire at Sanbornville

1 Chimney Fire

1 Automobile

5 Buildings

8 calls to stand by for the Sanbornville Dept.

Total loss amounted to \$6,000.00.

I believe the splendid co-operation between the Union and Sanbornville Fire Departments attests to the fact the Town of Wakefield has one of the best overall fire departments in this area.

Our working agreement between both departments and the Town is such that we can handle almost any situation without difficulty.

On behalf of the men in our department I should like to take this opportunity to thank Chief Lawrence Nason and his men at Sanbornville for their fine spirit of co-operation throughout the year.

Respectfully submitted
WILFRED S. NUTE, Chief
ABBOTT JOY, Assistant Chief

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.

2. Carry your rubbish to the public dump—its safer. A neglected backyard incinerator causes many fires.

3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.

4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

THE STATE OF NEW HAMPSHIRE

TENTATIVE WARRANT

To the Inhabitants of the School District of Wakefield qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 24th day of March 1964 at 10:00 o'clock in the forenoon to act upon the following subjects: (Polls not to close before 7:00 in the afternoon.)

1. To choose all necessary District Officers
 - a. To choose a moderator for the ensuing year.
 - b. To choose a clerk for the ensuing year.
 - c. To choose a treasurer for the ensuing year.
 - d. To choose a member of the school board for the ensuing three (3) years.
 - e. To choose a member of the school board for the ensuing year.

You are hereby notified to meet at the Town Hall in said Wakefield on Tuesday the 24th day of March 1964 at 7:30 in the afternoon to act on the following subjects:

2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

3. To choose agents, Auditors, and Committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and

agents and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.

5. To see if the district will vote to raise and appropriate the sum of \$1,500. to provide transportation to Spaulding High School.

6. To see if the district will vote to raise and appropriate the sum of \$600. to provide transportation and supervision for those children who would participate in a recreational program at Nute High School Gymnasium Saturday mornings during the school year.

7. To see if the district will vote to raise and appropriate a sum of money not to exceed the sum of \$108,000 or any part thereof for the construction of an addition consisting of 5 classrooms plus administration and utility rooms to the Paul School (in accordance of tentative plans by Irving W. Hershey) and to authorize the school board to determine the terms and conditions upon which such votes or bonds are issued including the rate, the time and place of payment, principal and interest in accord with the provisions of the Municipal Finance Act N. H. revised statutes annotated chapter 33 and by amendments thereto.

8. If the vote on the preceeding article is in the affirmative, to see if the district will raise and appropriate the sum of \$3780.00 for interest payments.

9. To see if the district will vote to raise and

appropriate the sum of \$400.00 to purchase, for use by the school nurse, an audiometer.

10. To see if the School District will vote to rescind the Non-Partisan Ballot system as provided in Chap. 34, Sections 112-125 inc. of the Revised Laws New Hampshire and Primary Laws of 1954 adopted at the March 1963 School Meeting and vote to adopt the Australian Ballot system provided in Chap. 59 Section 72 of the Revised Laws New Hampshire and Primary Laws of 1955.

11. To see if the district will authorize the school board to enter into long term contracts (3 years) for school transportation.

12. To see if the district will authorize the school board to accept in the name of and in behalf of the school district any gifts.

13. To see if the district will authorize the school board to apply for and accept in the name of and in behalf of the school district any funds which may become available through any Federal or State governmental agency.

14. To transact any other business that may legally come before said meeting.

Given under our hands at said Wakefield, N. H., this 9th day of March 1964.

AUDITOR'S CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Wakefield, N. H., of which the above is a true summary for the fiscal year ending June 30, 1963 and find them correct in all respects.

July 16, 1963

MARJORIE E. TESSIER
WINIFRED D. NASON
Auditors

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Wakefield:

The Interim Commission reported to the 1963 Session of the General Court. In its report it recommended that the number of Supervisory Unions be decreased. It recommended further that the Unions be increased in size so that services to the schools could be increased by an enlarged Supervisory Union staff. The formation of the Governor Wentworth Regional School District led to the dissolution of Union No. 36. As of July 1, 1964 Wakefield becomes a member of the enlarged Union No. 44. This is the first of several reorganization plans to reduce the number of school unions.

In view of the pending reorganization no attempt was made to effect any changes. Desirable changes in curriculum should fit into the plans of the new Union. Since a large number of Wakefield students attend Nute High School, a high school in Union No. 44, this would seem to be desirable. Any curriculum changes can be tailored to fit the program at secondary level.

Recommendations to the district to promote educational progress will be somewhat limited due to the current situation. It is, however, quite obvious that changes in teaching techniques to take advantage of technological advances as well as the experimental programs designed to vary the teaching process are part of any plan to upgrade the educational opportunity for children.

The technological advances affecting education are tremendous. The audio visual equipment avail-

able provides opportunity to utilize almost every kind of material that can contribute to the learning process. We have been accustomed to use film strip projectors and sound movie projectors. Industry now has perfected several other kinds of projectors that can expedite the teaching process. The opaque projector is used to project solid material on a screen — maps, post cards, charts, graphs and other solid materials can be projected on a screen so that the teacher may bring to the class many objects of interest and permit the whole class to view a single piece of material at the same time. The overhead projector uses transparencies. The great advantage it possesses is the fact that when it is in use the teacher faces the class so that the reaction of the class may be observed. Questions may be answered using the transparency with a pointer indicating the area or areas in question. The micro projector can project slides (biological) and the slide is blown up so that the teacher may point out the points of interest in the particular specimen. If there is truth to the old Chinese Proverb — a picture is worth a thousand words — these visual aids to education will enable teachers to provide more extensive knowledge with deeper understanding.

Educational television is both audio and visual. An appropriation by the legislature augmented by Federal Funds enabled WENH-TV to go to full power. This means that a good picture should be obtainable almost at will. A master teacher presents material to assist the class room teacher in the educative process. Programs have been presented in several areas. Some of the material presented is not available in any other way than through this medium.

The developments in the audio field are also startling. The perfection of the tape recorder and record

player with the newer techniques of recording have made many areas of music and foreign languages available to pupils and teachers. The use of the tape recorder for speech therapy and phonics enable the teacher at primary level to assist pupils who have slight speech defects.

The introduction of teaching machines has expedited the learning process in certain areas. Materials are programmed so that the pupil can learn immediately if he is responding correctly. This device is in its infancy and has its proponents and its detractors. It will, however, add another learning tool which properly used can aid the teaching program.

In addition graduate students in our larger universities have been working with children with new techniques and approaches to the teaching process. Team teaching and team learning are attempts to permit each child to advance at his own rate in specific subject areas. The ungraded school is an attempt on a larger scale to accomplish the same result.

The sooner that physical equipment and facilities will permit the use of these machines and techniques the sooner Wakefield pupils can advance at their maximum rate.

There are many other areas where advances have been made that are significant. The format, construction of and illustrations in the modern textbook has brought to the class room materials undreamed of a few years ago. The expansion of human knowledge has broadened and extended the learning of the high school student. Reorganization of this knowledge has resulted in a curriculum that is constantly

being revised to meet the challenge of today and tomorrow.

These areas and many more make the problems of providing an adequate education for the 20th and the beginning of the 21st century a challenging one.

The sincere dedication of your school board, the devoted services of your teaching staff and the interest of the citizenry makes it possible to strive to serve the educational needs of the children. It is a pleasant task to be a part of such sincere efforts.

Respectfully submitted,
EVERTON H. PARKINSON
Superintendent of Schools
